

West Virginia University Intercollegiate Athletics

Policy: **Corrective Lenses**
Date: **Revised May 2009**
Responsibility: **Athletic Training**

The West Virginia University Department of Intercollegiate Athletics will be responsible for the payment of the initial eye examination, and subsequent glasses or contact lenses if it is determined by the WVU Team Physician that the student-athlete needs them for intercollegiate practice and/or competition.

Contact lenses or glasses lost or broken during competitive athletics will be replaced by the athletic department. Lost or torn lenses must be reported that day to the athletic training staff or no replacement lens will be granted. Lenses that are torn or lost apart from athletic participation by the student-athlete will be the responsibility of the student-athlete
